

## ISAN 2017 Award Ceremony Information

Date and Time: 1 September, 18:00 – 18:15

Place: Room A

At ISAN 2017, four Autonomic Neuroscience – Basic and Clinical awards will be given. These awards, entitled “The Professor Geoffrey Burnstock Awards for Young Investigators” will be given to the young investigators judged to have the best oral and poster presentations in clinical and basic research. Each awardee will receive 500 Euros and a certificate that will be presented at the meeting.

Editor-in-Chief: Prof. Roy Freeman
